Brave Wolfe

Mournfully

1. Come, all you old men — all, Let — this de — light you; —
Come all you young men — all, Let — naught af - fright you. —
Nor — let your - cou - rage — fail When — comes the tri - al. —
Nor do not be dis - mayed At the first de - ni - al

2. I went to see my love,
Thinking to woo her;
I sat down by her side,
Not to undo her;
But when I looked on her
My tongue did quiver,
I could not speak my mind
While I was with her.

3. "Love, here's a diamond ring,
Long time I've kept it
All for your sake alone,
If you'll accept it.
When you this token view,
Think on the giver;
Madame, remember me,
Or I'm undone forever."

4. Then forth went this brave youth
And crossed the ocean;
To free America
Was his intention.
He landed at Quebec
With all his party,
The city to attack,
Both brave and hearty.

5. Brave Wolfe drew up his men
In a line so pretty,
On the Plains of Abraham
Before the city.
The French came marching down
Arrayed to meet them,
In double numbers' round
Resolved to beat them.
